## A VIRTUAL FIRESIDE CHAT WITH BEN CRUMP

To Benefit  
DC KinCare Alliance

Mr. Crump will discuss his experiences as an attorney and civil rights activist, as well as his upbringing in an extended family headed by his beloved great-grandmother, Mittie.

Ben Crump is a leading civil rights lawyer who specializes in racial and environmental justice cases, along with personal injury law. He is the lead attorney working for the families of George Floyd, Ahmaud Arbery, Jacob Blake, Breonna Taylor, and many others harmed by police brutality and racial animus. Mr. Crump's involvement has transformed protests for individuals into a national movement against police brutality and systemic racism in America.
